### **General**

This information is provided pursuant to the Privacy Act of 1974 (Public Law 93-579), as amended, for individuals supplying information for inclusion in a system of records.

### **Statutory Authority**

Section 846(a) of the Public Health Service Act (42 United States Code 297(n)(a)), as amended by Sec. 5310(a) of Public Law 111-148.

### **Purposes and Uses**

The purpose of the Nurse Corps Loan Repayment Program (NURSE CORPS LRP) is to assist in the recruitment and retention of professional Registered Nurses (RNs) dedicated to working in health care facilities with a critical shortage of nurses or working as nurse faculty in eligible schools of nursing, by decreasing the economic barriers associated with pursuing careers at such critical shortage facilities or in academic nursing. The information applicants provide will be used to evaluate their eligibility for participating in NURSE CORPS LRP. In addition, information from other sources will be considered (e.g., credit bureau reports).

A participant's contract, application, required supplemental forms, supporting documentation, correspondences and related data are maintained in a system of records to be used within the U.S. Department of Health and Human Services to monitor NURSE CORPS LRP-related activities. The information may also be disclosed outside the Department, as permitted by the Privacy Act and Freedom of Information Act, to the Congress, the National Archives, the Government Accountability Office, and pursuant to court order and various routine uses (see <http://www.hrsa.gov/about/privacyact/09150037.html>).

### **Effects of Nondisclosure**

Disclosure of the information sought is voluntary; however, if not submitted, except for the replies to questions related to Race/Ethnicity (Part II of the online application for NURSE CORPS LRP), an application will be considered incomplete and therefore will not be considered for an award under this announcement.
